Celebrating 50 Years

This Ceremony celebrates 50 years of Phi Beta Kappa at UC Davis. We honor our founder, Celeste Turner Wright.

We welcome Elizabeth Spiller, Dean of the College of Letters & Science, and Phi Beta Kappa National Secretary and CEO, Fred Lawrence.

The Phi Beta Kappa Society is the oldest and most prestigious national academic honorary society in the United States. Its Handbook for New Members begins, "For over two hundred years election to Phi Beta Kappa has been a recognition of intellectual capacities well employed, especially in the acquiring of an education in the lierral arts and sciences." The Society was founded in 1776 at the College of William and Mary in Williamsburg, Virginia; the UC Davis chapter, designated Kappa of California, was charteed in 1968.

Kappa Chapter recognizes by election as Members in Course juniors and seniors who have compiled outstanding academic records ina curriculum including the humanities, natural sciences, and social sciences.
